

DEEP CLEANSING CHARCOAL MASK

Triple-action activated charcoal acts like a magnet to deep-clean and unclog pores.

- Formula is clinically shown to instantly absorb excess oil and reduce shine.
- Complexion looks clearer and healthier, and pores appear minimized.

Skin has a natural exfoliating process. Sometimes this process doesn't work as effectively as it should, so oil, bacteria & impurities get trapped inside pores. The Clear Proof® Deep Cleansing Charcoal Mask helps remove the dirt & impurities that can contribute to problem skin & offers a gentle solution for supporting a clearer-looking complexion.

APPLICATION INSTRUCTIONS

Use the mask 2 or 3 times per week after your cleansing step. Smooth an even layer over clean skin. Leave on skin for 10 to 20 minutes. Rinse thoroughly with warm water, and pat dry.

Try Multimasking

Apply Clear Proof® Deep-Cleansing Charcoal Mask to oily areas of the face [T-Zone & chin] and the TimeWise® Moisture Renewing Gel Mask to dry areas of the face [cheeks & upper forehead] for a customized approach to masking.
